

DIGITAL LECTERN DLS-100W

AYZO Digital lectern is an attractive public address podium that features an all-in-one design consisting of (1) Built-in 60W amplifier (2) 60W column speaker (3) One tweeter (4) Three woofers (5) One flexible gooseneck microphone and (6) One lamp. The lectern has a number of input and output connections for easy capacity expansion and is available in black or white colour with a wooden top and steel bottom finish. It also features a built-in FM radio with a wireless recording feature along with a wireless remote control.

Model	DLS-100W
Power	220V/50-60Hz
Power Dissipation	100W
Frequency Response	100Hz-16KHz
Harmonic Distortion	<0.5%(at Aux *1W)
Rated Power	60W
Input Sensitivity	MIC1: -50dB±2dB / 680 Ohms
	MIC2: -55dB±2dB / 680 Ohms
	LINE: -20dB±2dB / 50 KOhms
	AUX1: -20dB±2dB / 10 KOhms
	AUX2: -15dB±2dB / 30 KOhms
	AUX3: -10dB±2dB / 50 KOhms
	AUX4: -3dB±2dB / 80 KOhms
Signal to noise Ratio	>45dB
Record Output	1V / 0dB (at AUX × 20dB)
Volume Control	Bass 20dB / Treble 20dB
Dimension	580×420×1100mm
Weight	29 Kg
